

EC - CERTIFICATE OF CONFORMITY

0840-CPD-0220-231148-08

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

Portland-slag cement
EN 197-1 – CEM II/A-S 42,5 R (tx) ¹⁾

placed on the market by

HeidelbergCement AG
Zementwerk Ennigerloh Süd
Neubeckumer Str. 92, D-59320 Ennigerloh,

and produced in the factory

HeidelbergCement AG
Zementwerk Ennigerloh Süd
Neubeckumer Str. 92, D-59320 Ennigerloh,

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body

Überwachungsgemeinschaft des
Vereins Deutscher Zementwerke e.V.

has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control and an audit-testing of samples taken at the factory.

This certificate attests that all provisions concerning the attestation of conformity and the performance described in Annex ZA of the standard

EN 197-1 : 2000/A1 : 2004/A3 : 2007

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 11 June 2008 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.

- 1) The additional indication in parentheses following the standard designation distinguishes this cement from other cements produced in this factory which bear the same standard designation

Duesseldorf, 16. January 2009

Dr.-Ing. Franz Sybertz
Head of the Certification Body
