

EC-Certificate of Conformity

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, and implemented in Swedish law by BVL, it has been stated that the construction product

Cement ” Anläggningscement Std P Slite” CEM I 42,5 N

placed on the market by

Cementa AB
Box 144
SE-182 12 Danderyd
Sweden

and produced in the factory

Slite

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body

SP Swedish National Testing and Research Institute

has performed the initial type testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control and an audit-testing of samples taken at the factory, on the market or at the construction site.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the standard EN 197-1:2000 were applied and that the product fulfils all the prescribed requirements. The product also fulfils the Swedish requirement regarding content of chromate in cement according to annex A to SS-EN 197-1:2000.

This is revision no. 1 of this certificate, which was first issued on 16th August 2005 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory production itself are not modified significantly or at the latest until 16th August 2010.
